

Pullman Fire Department Employment

The Pullman Fire Department is a combination department comprised of career firefighters and reserve firefighters. The department offers a variety of services from fire prevention, fire suppression, emergency medical care at both BLS and ALS levels, inter-facility transports, rope rescue, hazardous materials response, and public CPR/First Aid classes.

See an example of the [Pullman Fire Physical Strength and Agility Test](#) on a page that includes a description of each event with photos.

Check the [Human Resources Job Listing](#) page for any current career openings.

For information about Reserve Firefighter openings go to the [Reserve Program Information](#)
